**GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**

October 2, 2022 | 27th Sunday in Ordinary Time

As adults, unless we are dealing with children, "obedience" is not a word we typically like to hear. It often brings connotations of military protocols, deference to superiors at work, or conforming to laws and practices. In a culture that has learned to challenge authority, being obedient is understood more as something I "have" to do, not "want" to do. Do you ever see merit in wanting to be obedient? Encouraged to develop independent, self-sufficient egos and personas, we learn to focus on our own wills and merits as we strive for success and achieve a sense of well-being. Giving ourselves over to the will of another, especially when done blindly, can sometimes carry more risk than we are willing to take. Also, blindly following orders without any deference to ethics or morality can lead to atrocious crimes and violence against humanity.

St. Ignatius of Loyola states, "There are three sorts of obedience; the first, obedience when a strict obligation is imposed upon us, and this is good; the second when the simple word of the superior, without any strict command, suffices for us, and this is better; the third, when a thing is done without waiting for an express command, from a knowledge that it will be pleasing to the superior, and this is the best of all." St. Ignatius sees obedience as an act of love. When the person we are obeying genuinely has our best interest in mind, acting themselves with love and integrity, then what St. Ignatius says makes excellent sense. When mutual trust and a bond of love and respect are present, obedience can lead to freedom and truth.

We ask God to increase our faith. In other words, increase our trust that God knows best how to live and act in this world. We desire the same confidence, determination, and patience Jesus had that the fulfillment of God's vision would one day come. Nurturing a deep love of God and trusting in his providence, we obediently do what we know is pleasing to God: love, repent of sin, show mercy, be compassionate and fight injustice. As we willingly give witness to our faith, we do only what we are obliged to do, expecting nothing in return. Spared from the task of having to figure it all out for ourselves, we discover freedom. ©LPi

**NO CONFESSION : There will be no confessions Monday, October 3.**

Please join the 2022 Public Square Rosary Crusade. Our nation is in great need of public prayer, repentance and conversion. We ask God to save America through the Rosary.

Our local Public Square Rosary will take place on Saturday, October 15, 2022 at 12:00 noon, in front of St. Francis of Assisi Church. We will be joining with thousands of Rosary Rallies taking place on that day all over the world. Bring a lawn chair if you would like to sit. The rally will take place rain or shine. We invite everyone to attend.

*Please call Peggy at 860-978-0126 for more information.*

#### 40 Days for Life:

Participating in the 40 Days for Life Vigil is a beautiful experience. Whether you participated in the vigil or prayed for the lives of the preborn in your home or church, we appreciate you.

#### Birthright:

The bottle drive has officially begun. During the month of October, we will have a baby bottle drive to benefit Birthright. Baby bottles will be at all entrances of St. Margaret Mary and St. Francis of Assisi. Please take a bottle and fill it with donations to help Birthright do their blessed work for women who are pregnant or think they may be pregnant. All bottle proceeds will go toward the expenses incurred by Birthright for moms and their babies and for spreading the word about the work they do to save lives and help moms. We appreciate all donations, but bills and checks are preferable to coins because of their weight and the cost to have the coins counted.

#### Adoration:

During the 40 Days for Life, all Monday Adorations will be in memory of the preborn and other prolife issues.

**Fun Facts:** By the end of the first trimester, 13 weeks, baby is almost fully formed. Even though the mom cannot feel the movements yet, baby is kicking, stretching, and even hiccupping, fingers begin to open and close, toes will curl, and baby's mouth will make sucking movements. At 13 weeks, baby's tiny fingers now have fingerprints, and baby's veins and organs are clearly visible through their skin. If it's a girl, her ovaries contain more than 2 million eggs. ### St. Francis of Assisi | Feast Day October 4

St. Francis of Assisi (1181 – 1226) left a life of luxury for a life devoted to Christianity after reportedly hearing the voice of God, who commanded him to rebuild the Christian church and live in poverty. He founded the men's Order of Friars Minor, the women's Order of St. Clare, the Third Order of St. Francis and the Custody of the Holy Land.

Born in 1181 in Italy, St. Francis of Assisi was renowned for drinking and partying as a youth. During a military expedition/battle between Assisi and Perugia, he was captured and imprisoned for ransom. He spent nearly a year in prison and began receiving visions from God. After his release from prison, St. Francis of Assisi claimed to have heard the voice of Christ, who told him to restore the Christian Church and live a life of poverty. As a result, St. Francis of Assisi abandoned his life of luxury and became a devotee of the Catholic faith.

Today, St. Francis of Assisi, known for his deep love of nature and animals, is the patron saint of the environment and animals. Each October, many animals are blessed on his feast day.
