GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Ten lepers were cured. Only one returned to give thanks. When we fall victim to entitlement, we diminish our capacity to love. Never satisfied, we walk around with outstretched arms, eagerly searching for the next thing we want so that we can acquire it ourselves. Very rarely do entitled hands hold anything to freely give away to others. Entitled hands also find it challenging to reach toward heaven in a gesture of gratitude and praise. We are often more obsessed with celebrating our victories, securing our assets, safeguarding our futures, and stacking the deck of life in our favor rather than relishing and absorbing the gift of the moment and blessings received.

Entitled people find it difficult to pray properly. When the subject of our prayer is mostly about our needs and wants, we are falling into the trap of deception. We foolishly try to convince God that our tiny worlds are of greater importance than His. In ancient times, people would offer sacrifices to “the gods” to secure protection and favors. Our God desires mercy, not sacrifice, because He is about love and justice, not simply

meeting our agendas. Every breath is a gift. Prayer, which is a celebration of that gift, acknowledges the Giver. Prayer strengthens the bond between Giver and receiver, creating a deepening awareness that nothing I am or anything I have can exist apart from His Divine Will. It also reminds us that we have done nothing to merit the unconditional love and mercy God showers upon us. Prayer is not just about getting what I need but celebrating who I am.

For St. Therese of Lisieux prayer is “a surge of the heart; it is

a simple look turned toward heaven, it is a cry of recognition and of love, embracing both trial and joy.” When our hearts “surge” toward God, we rush to the Source of our restoration and wholeness, knowing our longing for God’s Divine embrace. Prayer is a response to God’s graciousness with an act of gratitude returned by us. In prayer, we gaze upon each other in that sacred space where I give myself to God as He is, and God gives Himself to me as I am. We cannot take another step without saying thank you.

And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him. He was a Samaritan. Jesus said in reply, “Ten were cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?” - Lk 17:15-18

40 Days for Life:

The 40 Days for Life runs from September 28 - November 6. During the 40 Days for Life, all Monday Adorations will be in memory of the preborn and other prolife issues.

Birthright:

The bottle drive has officially begun. During the month of October, we will have a baby bottle drive to benefit Birthright. Baby bottles will be at all entrances of St. Margaret Mary and St. Francis of Assisi. Please take a bottle and fill it with donations to help Birthright do their blessed work for women who are pregnant or think they may be pregnant. All bottle proceeds will go toward the expenses incurred by Birthright for moms and their babies and for spreading the word about the work they do to save lives and help moms. We appreciate all donations, but bills and checks are preferable to coins because of their weight and the cost to have the coins counted.

Fun Facts: By 16 weeks, baby's brain impulses have begun to fire, and they're using their facial muscles. Baby's kidneys are working now, too. Baby's eyelids are still fused shut, but the baby can sense light. If a flashlight shines on the mom's tummy, baby will move away from the beam. Baby's legs are more developed, their head is more upright, and their ears are close to their final position.

Dear Parishioners,

Thanks to your generosity and support this year, but especially last year through our Annual Parish Collection, we were able to complete projects in the parish. This past month we again had expenses related to the upkeep of both churches and campuses. Two large air conditioning units were replaced as well as pipes, doors and some windows. The cost of this project was around 100K. Our desire is to serve the community and our families, so during this month we will start our Annual Parish Collection again. We are all aware of the needs of many families in our parish, and even personal needs, so I invite all those who can contribute to APC to do so generously as this cause is to preserve the parish for future generations. For those families and parishioners who cannot help us financially, I ask for your prayers so that this year the APC is a success.

It is dedicated to your generosity, prayers, support and service that we will continue to serve many families and all those who are looking for a place to pray and thank God for so many blessings received.

God bless you all and multiply his graces and blessings on each one of you.

Fr. Jorge Castro

This is a kind reminder for all parents and families who wish their children to receive and celebrate the Sacrament of Baptism and also the Engaged Couples who wish to celebrate their sacramental celebration of Marriage in our parish, please contact Fr. Castro, our Pastor, and then the Parish office to schedule the dates, to give more information, and to confirm all the documents that are required for the celebration of these sacraments.

Saint John XXIII, Pope | October 11

Saint John XIII was born Angelo Giuseppe Roncalli on November 25, 1881, in a small village in Italy. He was ordained in 1904 and later earned a doctorate in canon law. During World War I he served as a stretcher-bearer and chaplain for the Italian army. Beginning in 1925 he served as a Vatican diplomat, first in Bulgaria, then in Greece and Turkey. From 1935 through the Second World War he helped save thousands of Jewish people. In 1944 he was named papal nuncio to France. He was named cardinal and appointed patriarch of Venice in 1953. A quiet pastoral life passing into retirement, however, was not in God's plan for the saint.

Angelo Giuseppe Roncalli was elected Pope in 1958 and took the name John. His papacy was short, but full of action. He transformed the Vatican, calling for openness, a spirit of ecumenism, and the setting aside of politics. He called the Second Vatican Council in the fall of 1962, the first meeting of its kind in almost a century, setting the agenda to work for the spiritual regeneration of the Church. His efforts changed the face of the Catholic Church. At the same time worked diligently and publicly to ease tensions during the Cuban missile crisis, pleading with leaders for the end of the Cold War.

Saint John XXIII's kindness, sense of pastoral care, and works of reconciliation and peacemaking made him beloved not only to Catholics but to people around the world. He died on June 3, 1963. He was beatified in 2000 by St. John Paul II, and canonized by Pope Francis in 2014.
