# St. Junipero Serra Parish

## FY 2024 Annual Report to Parishioners

- The parish choir raised funds for the 2023 Christmas Concert covering the cost of contracted musicians, music, and even some preparations for this coming concert!
- Now that we have invested in CD's and opened an account at Morgan Stanley we are earning interest each month which significantly helps support our parish.
- Rental Income has gone up slightly due to a lease for a small part of the St. Francis of Assisi parking lot. That is ending in November 2024.
- We continue to allow Pleasant Valley School to use our lot during special events for overflow parking, as a good neighbor. The Town of South Windsor has obtained grant money to create sidewalks and they will be installing sidewalks along Ellington Road on the church property. They have stated that the Town will work with us to maintain our limited parking in the front and will thankfully assume responsibility for snow removal of the new sidewalk.
- You may have noticed the refreshed beauty of the SFA church roof. Gutters and the slate roof were cleaned, and repairs were made to the slate roof.
- Both religious education income and expenses were up this year, proving that we are revitalizing our parish through the faith of our families with youngsters. 37 Students had their First Reconciliation, and 35 students received their First Eucharist this year. Our R.E. Department had fun teaching, and the students had fun learning our faith with 50 students, including campers and teen counselors, at Vacation Bible School this Summer.
- Steubenville East teens thanked the parishioners at Mass for their support and witnessed how God's Spirit touched and reached deeply into their hearts, in life changing ways at this event.
- The Knights of Columbus donated \$50,000 to the parish. These are the major things we did with this money:
  - Replaced the controller for the church bell at SFA
  - Cut and removed 3 trees at SFA and 1 at SMM, as well as sidewalk repairs at both locations per the safety inspection recommendations by the Archdiocese
  - Finished the final phase of the drainage project
- Here are some of the major projects still needed at our facilities:
  - Replace A/C units. The oldest was installed in 1993 and uses an obsolete refrigerant
  - Installation of a handicapped bathroom at SMM
  - Replace, do overlay, or patch the parking lots

*We now must humbly ask you, as part of our parish family, if you can see it in your heart and in your budget to increase your regular giving by looking at the numbers and items needed on this report. It will make a big impact going forward as our contracted services, labor wages, and utilities all continue to climb, and we are making every effort to grow our Religious Education Program. Every bit helps, and we are most grateful to each of our parishioners not only for their monetary donations but for their gift of time and volunteering which cumulatively uplifts and strengthens our parish.*
