Thanks to the generosity of the donors to this year's Archbishop's Annual Appeal, **Do This in Memory of Me**, the Vicariate Outreach Program has been able to provide over \$1,000,000 in critical funding to over 160

local, community based, organizations. This funding provides support to families and individuals for life's necessities: a warm meal, a bag of groceries, a place to sleep, or a place to turn for guidance and support. The Annual Appeal is one way to share our blessings and express thanks for the blessings with which God has graced us with our neighbors. Your gift to the 2024 Appeal will help to continue these and other vital ministries, services, and programs that reach out to so many in need.

All funds contributed to the Archbishop's Annual Appeal are used exclusively for the purposes outlined in the Appeal literature, which can be found at <https://archdioceseofhartford.org/appeal/>. No Appeal funds are ever used for legal fees or settlements.

## The Black Madonna

Located just two hours from Krakow, Poland, on a place beautifully named Jasna Gora, or Hill of Light, is the beloved painting that tradition teaches Saint Luke the evangelist painted while looking upon the Virgin Mary's face.

Along the walls are hung crutches as proof of healing, rosary beads of offered prayers, and gold plaques given in thanksgiving for all of her generous intercessions.

Thousands visit every year and as the line approaches her, each stops short of the altar rail and in silence fall to their knees. The final pilgrimage on hard stone, each person dragging one leg forward, then the other. A journey of sacrifice and penance. Though the stone is hard and strong, there are two grooves worn down from where hundreds of thousands of pilgrims have made the journey before us.

She holds the Savior of the world in her arms and her eyes are serious and loving. As the mediatrix of grace, she accepts all that we place before her in our hearts. The ache on our knees is all that is left and it reminds us that the journey in life can be arduous but she is ever by our side. Upon the Hill of Light - Jasna Gora our mother awaits, two slashes on her cheek, it has not been easy but she does not hide her face of scars. But with a gold frame she

illuminates the mind of God. How he looks upon the good fight and carrying on. Now as each pilgrim returns home, their families in her arms, fortified they will not be overcome!

*"Our Lady of Jasna Gora is a teacher of fairest love for all, And this is particularly important for you, dear young people. In you, in fact, that form of love is decided which your whole life will have and, through you, human life in the land of Poland. Matrimonial, family, social, national, but also priestly, religious, missionary. Every life is determined and evaluated through the inner form of love. Tell me what your love is, and I'll tell you who you are."* -Saint Pope John Paul II - On World Youth Day Czestochowa 1983

*\* On the Slashes on Our Lady's Face -*

*As the robbers drew his sword, struck the image and inflicted two deep gashes. While preparing to inflict a third gash, he fell to the ground and writhed in agony until his death ... The two slashes on the cheek of the Blessed Virgin, together with the previous injury to the throat, have always reappeared - despite repeated attempts to repair them. - [www.polishcenter.org](http://www.polishcenter.org)*
